LORD MAZDAMUNDI CONVERSION KIT

Movement beyond the tree line made Amon Dul flinch. This was unexpected and for Amon Dul of Tzeentch, unexpected was not acceptable. Three lumbering monsters lurched out of the dense jungle. Two of them carried platforms swarming with the smaller skink-men on their backs. The large red in the middle carried something else.

A name he did not recognise screamed out of Amon's mouth: "MAZDAMUNDI!"

At this cry, thousands of Lizardmen burst out of the tree line. Where moments before there was only the emptiness of the valley floor, there now swarmed a thousand-strong Lizardman army. And for the first time, Lord Amon Dul of Tzeentch knew fear.
